

The company provides services of transport of goods in the domestic as well as in international traffic from any part in Europe to the warehouse and the destination determined by our partners.

*In its fleet, the company has several dozens of trucks of type "Euro-5" and "Euro-3" of **Volvo** brand.*

We have national insurance policy for international transport in value of several hundreds of thousand dollars!

We own 10 CEMT licenses.

Our usual destinations from Serbia are to Belgium, Holland, France, Germany, Italy, Bulgaria, Hungary, Macedonia as well as to all other countries of European Union. We also offer transport services within countries of European Union.

We are exclusive conveyors for Mc&Donalds-Serbia and Mc&Donalds Macedonia. We are also conveyors for Mondi-Serbia, Henkel&Merima, as well as for all our partners who store their goods in our logistic center in Belgrade.
